

Black & Decker ASI400 air compressor 160 l/min

Manufacturer's code ASI400

EAN code 5054905026011

This truly versatile inflator can be used anywhere. With three different power sources; you can use it in the home with the mains electric power, plug into an in-car socket using the 12V adapter, or even use the 18V lithium-ion battery if you're on the go outside. Ideal for car and bike tyres, mattresses, footballs and more, the high volume output gets the job done quickly. Complete with a digital pressure gauge and automatic shutoff technology, this inflator brings set-it and forget-it, peace of mind. Pump, pump, pump it up.

Features + Benefits

- Automatic Shut Off feature ensures accurate results every time; no risk of over or under inflating
- The powerful 160PSI / 11 Bar Air compressor handles a large variety of inflation tasks
- The compact design allows for easy storage in the vehicle boot / shelf / cupboard etc
- Powerful design - handles the most demanding inflation tasks
- Digital gauge to view current pressure and set target pressure
- 12V DC Power Source
- High pressure inflation hose for inflating sports equipment and tires
- high volume inflation hose for larger inflatables

Technical Details

Manufacturer	Black & Decker Deutschland GmbH
Brand	Black & Decker
Model	ASI400-XJ
Product Dimensions	24 x 16 x 25 cm; 1.8 Kilograms
Batteries	1 Lithium ion batteries required.
Item model number	ASI400-XJ
Manufacturer Part Number	ASI400-XJ
Cover Included	1
Voltage	12 Volts
Item Weight	1.8 kg
